THE CATSPAW - EDISON

"Aloha Oe," the Ince production now  
showing on the Bijou screen, is a pic-  
ture different from any thing ever  
shown in Clarksburg. The acting of  
Willard Mack and Enid Markey is of  
the very highest order, and the scenes,  
settings and photography are of a  
character seldom attempted by any  
director. Mr. Ince started out to pro-  
duce a masterpiece and he surely has  
accomplished his purpose.

Raymond Hitchcock and Roscoe Ar-  
buckle take care of the comedy end of  
the program, "The Village Scandal,"  
being the boat they ride in, and those  
who have seen it say it is "some"  
comedy.

"The Catpaw," a five-reel Edison

wonders how it was made.

Like all good books this one ends  
happily and the right characters  
marry in the finish, leaving in the  
minds of all a beautiful conception of  
one of the most romantic stories ever  
produced in film form.

Tomorrow and Saturday, "The  
Labyrinth," in which the clever little  
star, Gail Kane, has the stellar role,  
will be the special feature offering.

Flavia Araro, the Gaumone (Mut-  
ual) heavy, was a noted opera singer  
before entering the motion picture  
studio.

The Lewis-Oliver players will pre-  
sent a new play at the Palace tonight  
entitled "The Diamond Necklace Mys-  
tery," a five act melodrama of mystery  
and romance. If you are looking for  
an evening of solid pleasure and you  
enjoy a thrilling story full of life and  
action and plenty of comedy do not  
miss "The Diamond Necklace Mystery"  
tonight, Friday night and Saturday  
afternoon and night.

The Lewis-Oliver company will of-  
fer a three act musical farce comedy  
the first three days of next week en-  
titled "Good Night Nurse." This is  
a regular musical comedy with plenty  
of musical numbers.

Julius Steger, newest of Metro  
stars, began his professional career  
as a grand opera singer in Vienna.

"In Old Kentucky" is the attraction  
at the Robinson Grand this afternoon  
and evening. This spirited drama,  
written by C. T. Dacey in the early  
nineties, still remains one of the  
standard amusement offerings of the  
day. It has made a name for itself  
as a meritorious dramatic offering sec-  
ond to no other play now before the  
public. As theatergoers know, "In  
Old Kentucky," with its brave little  
mountain heroine, its mint-julep loving  
colonel, its amusing and musical pic-  
nannies and its thrilling horse-race  
scene, affords three hours of unusual  
and animated stage entertainment. It  
abounds in breathless episodes and  
realistic moments, in genuine comedy  
and in true characterizations.

A fine company of players has been  
provided, including Miss Louise Mur-  
ray, Miss Marion Langdon, Joseph  
Sullivan, Bert Thompson, Paul Han-  
lin, Conreid Cantzen and Harold Rus-  
sell. The same splendid scenic pro-  
duction prepared for the recent phe-  
nomenal run of the piece at the big  
Boston theater, will be used here.

## WESLEYAN TO PLAY MUSKINGUM TEAM

Game Will Be Staged Friday  
Night on Wesleyan's Gym-  
nasium Floor.

(SPECIAL TO THE TELEGRAM)  
BUCKHANNON, Jan. 13.—The game  
between Wesleyan and Muskingum to  
be played here Friday night promises  
to outrival any game played in Buck-  
hannon in years so far as local inter-  
est goes. The prime factor is that  
Muskingum had what was conceded to  
be the best team that had ever been on  
the Wesleyan floor who nit played here  
last year and this year the entire  
quintet of veterans is again back and  
will appear against Wesleyan Friday.  
The next important feature is that  
"Greasy" Neale, a man whose work as  
an athlete at Wesleyan during the  
years of 1912, 13 and 14 is remembered

photoplay released through Klein-  
Edison Feature Service will be of-  
fered at the Bijou Friday. Miriam Nes-  
bitt and Marc McDermott, talented  
popular Edison film stars are featured  
in this picture.

"The Catpaw," an Edison photo-  
drama, is well named, because as the  
story develops on the film, an actor  
who had agreed to act as a "double"  
for an employer, found he had been  
used as a dupe or catspaw, while the  
man who hired him was robbing  
banks. By consenting to serve as a  
double, he stirred up trouble not only  
for himself, but also for a charming  
girl who had fallen in love with him.  
Pathe Daily News No. 103 will also be  
shown Friday.

by every West Virginia fan, is coach-  
ing the team and will make his first  
local appearance in the role of a coach  
Friday night.

Interest in this game has been great  
since it was scheduled but recently it  
has been growing to a great rate and  
the latest announcement is that a  
special train carrying about two hun-  
dred Weston friends and admirers of  
the former Orange and Black athlete  
will come here to see his pupils per-  
form against his alma mater. This  
train will leave Weston at 7:30 arriv-  
ing here ten minutes before game time  
and returning will leave immediately  
after the game.

It is possible that a special trolley  
car will be arranged to carry fans  
from Clarksburg and points beyond  
back to their home from Weston that  
same night but nothing definite has  
been announced along this line as yet.  
Following Tuesday night's game with  
Fairmont Normal the hard practice  
work of the previous week was made  
still more stringent and Coach Ulrich  
will bend every effort to have the en-  
tire Wesleyan squad in the best shape  
for what is conceded to be a game  
that will test more than any other  
the strength of the team on its own  
floor.

## FAST GAME

Won by St. Mary's High School  
Five from the Northview  
School Team.

The St. Mary's high school bas-  
ketball five defeated the Northview  
school five in a fast and exciting  
game played on the Northview floor  
Wednesday evening by a score of 23  
to 18.

The game was hard fought by  
both teams and the score was nip  
and tuck throughout the first half  
and well into the second half. Near  
the end of the game the St. Mary's  
boys pushed ahead and secured a five  
point lead which they held until the  
end of the game. The line-up and

FAIRMONT, Jan. 13.—The Mus-

Christian Association five in a game  
played on the local gymnasium floor  
Wednesday night by a score of 50 to

than to Metzger and the association
